2GIG Technologies is pleased to announce the Wireless Smoke/Heat Alarm (SMKT3). The SMKT3, 2GIG's next generation in fire and freeze protection, offers the same reliable functionality and features as the SMKT2 but with the added benefit of freeze detection. It is more customizable than previous models by allowing separation of the smoke, heat, and freeze features enabling the alarm to detect one, two, or all three.

AUDIENCE
2GIG Distributors and Dealers

PRODUCT NAME
Wireless Smoke/Heat Alarm
UPC: 817082010199

PART NUMBER
SKU: 2GIG-SMKT3-345

FEATURES
- Independently detect smoke, heat, and freeze
- Self-contained sounder
- Supervised transmitter and status LED
- Easy installation and programming

NOTE: Programming the SMKT3 is different than the SMKT2. Detailed programming instructions are included in each box and can also be found on the 2GIG dealer website.

PRICING
Pricing for the new SMKT3 is the same as the SMKT2. Contact your 2GIG Distributor or Sales Representative for pricing details.

PRODUCT AVAILABILITY, ORDERING AND SHIPPING INFORMATION
Orders for the SMKT2 (2GIG-SMKT2-345) are expected to begin transitioning to SMKT3s (2GIG-SMKT3-345) this week. Please note that SMKT3 has a new SKU to reflect the additional features.   Any order for the 2GIG-SMKT2-345 will automatically be filled with 2GIG-SMKT3-345 once shipping commences.

SYSTEM REQUIREMENTS
The SMKT3 works with any Go!Control security panel. If using firmware prior to 1.8, installers can select SMKT2 as the equipment code for the new SMKT3 and the system will function properly. If running firmware 1.8 or newer, the SMKT3 equipment code is available in system programming.

WARRANTY
The SMKT3 ships with a standard two (2) year limited warranty. Please refer to the Installation Guide for specific warranty details.
